Delivery and Assessment

Program Duration

Course will be delivered over 1 year via 4 x 46 min lessons

Mode of Delivery

A range of delivery modes will be used during the teaching and learning of this qualification. These include:

- face-to-face instruction
- work-based learning (simulated)
- guided learning
- online training

Assessment

Competency based means the consistent application of knowledge and skill to the standard of performance required in the workplace. It embodies the ability to transfer and apply skills and knowledge to new situations and environments.

Assessment will consist of

- Observations—observation of workplace activities
- Questioning—oral, written
- Practical tasks
- Supplementary Evidence—supervisor reports, employer References

Work Placement

Although not mandatory, students are encouraged to undertake work experience through the work experience program for one term (1 day per week)

Certification

RTO Obligation

The RTO guarantees that the student will be provided with every opportunity to complete the qualification. We do not guarantee employment upon completion of this qualification.

Students who are deemed competent in all 6 units of competency will be awarded a **Qualification and a record of results**.

Students who achieve at least one unit of competency (but not the full qualification) will receive a **Statement of Attainment**.

USI Numbers

The school RTO will not issue an AQF certificate, record of results or Statement of Attainment to a student without having a verified USI for that individual.

Credit Arrangements

Credit Transfer relates to recognition of any unit of competency or module a student has successfully completed at any Registered Training Organisation (RTO).

If a student has a statement of attainment for a unit of competency and it has the same code as a unit of competency making up this program, the student may make a claim for a credit transfer.

Recognition of Prior Learning (RPL)

RPL is an assessment process that involves assessment of an individual's relevant prior learning (including formal, informal and non-formal learning) to determine the credit outcomes of an individual application for credit.
